WHAT WE DO

Vision at TKLAB

To disciple & create disciples across the world.

Mission at TKLAB

Through movement & dance techniques teach the disciplines and values needed for a child of God & ultimately a strong disciple.

We aim to achieve a personal excellent best for each dancer that walk through our doors. We assess each dancer's strengths & weaknesses and according to that build them up in dance and life.

Together as a team we flourish with dedication, commitment, passion & hard work. These characteristics,
along with the ones taught in class, through competition preparations, on stage or in the battle scene will equip each dancer with the tools to reach their highest dance goals.

With the above being said when signing up with TKLAB you sign up to be a part of our year-end production which ties together our vision & mission and spreads
the gospel to the masses.

You sign up to give your all, every day.

You sign up to enjoy dancing and to be grateful for every opportunity to dance.

RE-OPENING 2027

We will commence with ALL normal classes from **WEDNESDAY, 13 January 2027.**

The **TKLAB 2027 year planner schedule** will be released middle February.

Take note: Dancers are always welcome to register during any time of the year for a class and we will get them up to speed as best we can.

Registrations for 2027:

ALL dancers will need to register on our ONLINE system for 2027.

You will receive a Registration Link to register you/your dancer as soon as commitment to join has been confirmed.

Very Important:

The student registration should be completed before the student's first class of the year and accompanied by the R220 registration fee as well as the first month's class fees.

AVAILABLE CLASSES

Foundation and Technique Classes

At least one technique class is mandatory for all dancers in the studio

Mini **Hip-Hop:** Ages 4-8

This class is designed for beginner dancers. The primary objective is to cultivate a passion for Hip-Hop & Street Styles while fostering each dancer's confidence. Participants will learn the foundational elements of hip-hop, including its music, rhythm, and the authentic feel of the style.

Junior **Hip-Hop:** Ages 8-11

This class is designed for beginner dancers. Dancers will acquire foundational skills in Hip-Hop and Street Styles, gaining an understanding of the associated music, groove, and overall essence of these dance styles. Dancers will also participate in an annual assessment through the ASDDSA affiliation and will learn choreography routines that will be featured in the year-end production.

Pre-Teens **Hip-Hop:** Ages 11-14

This class is designed for dancers with a minimum of two years of dance experience. Dancers will delve into more advanced skills associated with Hip-Hop and Street Styles. Our objective is to cultivate confident, stage-ready dancers who possess a solid understanding of the various styles and movements they learn. Dancers will also participate in an annual assessment through the ASDDSA affiliation and will learn choreography routines that will be featured in the year-end production.

Teens & Young Adults **Hip-Hop:** Ages 14+

In this class, dancers will concentrate on both foundational and intermediate aspects of Hip-Hop and Street Styles. Our objective is to cultivate confident, stage-ready performers who possess a solid understanding of the various styles and movements they learn. Dancers will also participate in an annual assessment through the ASDDSA affiliation and will learn choreography routines that will be featured in the year-end production.

Master Class: Ages 18+

Dancers participating in this class are required to possess a minimum of three years of substantial dance experience, including proficiency in various street dance styles. The curriculum is designed to deepen their understanding and execution of street styles such as Popping, Krump, House etc.. The ultimate objective is to master advanced industry choreography and to execute all dance elements with precision and artistry. Class assignments will facilitate the achievement of these goals. Additionally, this class contributes to the more mature routines featured in the year-end production.

Competition Classes

Important Note:

Selection for competition dancers is determined by the studio directors, based on exceptional dedication to weekly classes, commitment, hard work, and potential. If you are interested in joining our competition team, please reach out to us for information on our ***Competition Team Requirements*** and to discuss placement options or any additional details. Please note that all competition classes are available solely as a secondary option to ***Foundation and Technique*** Classes.

ABL Crew (THE MOOT)

Our junior crew is for dancers between the ages of 6 - 9 Years. This high-intensity class focuses on competition, with the primary goal of achieving provincial and national recognition in Hip-Hop and Street Dance. Dancers engage in both local and international competitions at the highest levels.

J.U.P Crew (PTA EAST) | Little Lights Crew (THE MOOT)

Our junior crew is for dancers between the ages of 10 - 13 Years. This high-intensity class focuses on competition, with the primary goal of achieving provincial and national recognition in Hip-Hop and Street Dance. Dancers engage in both local and international competitions at the highest levels.

J-Unit Crew (CENTURION) | Pinnacle Crew (PTA EAST) | Celestial Crew (THE MOOT)

Our teen crews are for dancers between the ages of 14 - 18 Years. This high-intensity class focuses on competition, with the primary goal of achieving provincial and national recognition in Hip-Hop and Street Dance. Dancers engage in both local and international competitions at the highest levels.

The Elect Crew (PTA EAST) | The Appointed Crew (CENTURION)

The adult crews are for dancers aged 18 and older. This high-intensity class focuses on competition, with the primary goal of achieving provincial and national recognition in Hip-Hop and Street Dance. Dancers engage in both local and international competitions at the highest levels.

Senior Choreography Class for Ages 14+ (CENTURION)

This class is designed to foster the choreographic development of each individual dancer. The primary focus is on highlighting their unique style and enhancing their capabilities as solo performers. Participants will engage in technique training, performance enhancement, and the development of control and creativity.

Dancers in this class will be expected to choreograph their own solos under the guidance of the designated coach or coaches. Throughout the competition season, dancers will have the opportunity to compete with their self-choreographed solos as deemed ready by their coach or coaches.

Other / Specialized Classes

Amateur | Advanced Freestyle & Battle **Class:**
This class is for dancers seeking to specialize and attain mastery in a specific street dance style, provided they already possess a foundational understanding of the culture and techniques associated with that style. The curriculum includes participation in Battles and Open Circles, facilitating optimal confidence and growth within the chosen specialization.
Note: This class does not count as a foundational class.

Guest **B-Boy Class:**
This class takes place **once a month** & is for individuals interested in B-Boying, also known as Breaking or Breakdance. You may be familiar with this style from performances, such as those featured in the "Step Up" films, where dancers showcase impressive headspins. B-Boying significantly enhances a dancer's overall personal style and versatility. In this class, dancers will concentrate on the foundational elements of B-Boying, including strength development, intricate footwork, tricks, & freezes.

Competition Solo/Duo Choreography:
All solo/duo choreography for the annual competition season is choreographed during private sessions. Dancers have the option to work with the coach of their choice or the coach deemed most suitable for their style and strengths, based on the discretion of the studio directors.

- Choreography is completed in three private sessions.
- At least one drilling and cleaning session is mandatory before each competition.
- Additionally, solo boot camps will be organized to prepare for the competition season.

Private Sessions:
Private Sessions can be arranged upon request and are designed to assist dancers in focusing on specific areas that require enhancement. We are dedicated to addressing any concerns that dancers or trainers identify for improvement, which may not always be achievable in a group setting. Every dancer possesses their unique identity, strengths, and weaknesses in various aspects of street dance, and our goal is to help them become the best dancers possible.
Sessions will only be scheduled based on available time slots, and interested individuals will need to discuss this personally.

CONDUCT & ETIQUETTE OF A TKLAB DANCER

TKLAB dancers are expected to show respect for their teachers, fellow dancers, Studio staff and themselves. Parents/guardians are asked to support these expectations.

• Dancers must follow reasonable teacher instructions and must not disrupt class or interfere with another dancer's learning.

• Dancers should arrive on time, prepared and ready to participate.

• Clothing must be suitable for the dance style and allow safe movement. Unless a teacher has expressly approved otherwise, skirts, dresses, heels, flip-flops and bare feet are not permitted. Closed dance shoes or suitable sneakers must be worn.

• Bullying, harassment, intimidation, discrimination, threats, physical aggression, deliberate damage to property and unsafe conduct are not acceptable.

• Dancers must treat Studio facilities, equipment and other people's property with care.

• The Studio may give a verbal or written warning, contact the parent/guardian, set reasonable behaviour conditions, remove a dancer from an activity, or suspend/terminate enrolment for serious or repeated misconduct. The Studio will act fairly, proportionately and with regard to the dancer's age and circumstances.

Parent and Guardian Responsibilities

• Parents/guardians must ensure that registration and emergency information is accurate and kept current.

• Parents/guardians should communicate concerns respectfully and directly to Karla Saayman or the designated Studio contact at info@kingdomsdance.co.za/0616287789.

• Parents/guardians must not disrupt lessons, intimidate or confront dancers, teachers or other families, or undermine reasonable safety and classroom instructions.

• Parents/guardians should support attendance, appropriate clothing, punctuality and respectful conduct.

• The Studio may address serious or repeated inappropriate conduct by a parent/guardian, including restricting attendance at Studio activities or ending the dancer's enrolment where reasonably justified. The Studio will consider the dancer's interests and applicable law.
